

## National guidelines - Malaysia

In order to comply with national requirements we are implementing the following further precautionary measures:

<b>Travel</b>	No employees or delegates must enter MSTS facilities returning from affected areas defined by Malaysian Ministry of Foreign affairs within two weeks upon return.
<b>Quarantine</b>	If any of our employees'/ delegates co-habitants, such as spouse and children, are placed in quarantine by the authorities, irrespective of the reason or background, then the relevant employee/ delegate must also be quarantined from MSTS locations for the same period or a minimum of two weeks.
<b>Social distancing</b>	We are complying with the national guidance on keeping 1 metre social distance and the maximum number of people gathering as 12.
<b>Food hygiene</b>	Served in wrapped portions or by one person.
<b>Class sizes</b>	We reduce the number of delegates in classes to accommodate the 1 metre social distance and if required provide theoretical teaching through webinars.
<b>Restrictions on courses/ methodology/ equipment</b>	First Aid practical courses are transferred into individual exercises as much as possible or demonstrations. All training (both theoretical and practical) are designed to accommodate 1 metre social distancing.
<b>Cleaning of equipment</b>	We are complying with the national guidelines and the guidelines from the manufacturer to ensure all equipment are sanitised and free of pathogens.
<b>Other national specific guidelines</b>	The use of masks is strongly advised in this part of the world and entry to Johor port is forbidden unless wearing a mask.
