RelyOn Nutec Thailand offers courses approved by Danish Maritime Authority (DMA) and Commonwealth of Dominica Maritime Administration as specified by the IMO for STCW as amended 2010.

DANISH MARITIME AUTHORITY

DMA COURSES

Danish Maritime Authority

Proficiency in Survival Craft and Rescue Boats [PSCRB]

The course is designed for all seafarers designated to take charge of a survival craft in an emergency situation.

Delegates will demonstrate to a minimum standard of competence set out in STCW as amended 2010: Table A-VI/2-1 Proficiency in Survival Craft and Rescue Boats.

Duration
4 Days

Validity
5 Years

Refresher Course [PSCRB Refresher]

Seafarers holding an existing PSCRB qualification are required to refresh their certificate every 5 years. The duration of the refresher course is 1 day only.

Duration
2 Days

Validity
5 Years

Basic Safety Training [BST]

This training is for seafarers employed or engaged in any capacity onboard ship requirements specified by the IMO for STCW as amended 2010.

The STCW Basic Training course was formulated to offer instruction along with practical training in key safety skills which are considered to be critically important when working on board of a vessel.

MODULES:

Personal Survival Technique [PST]

Fire Prevention and Fire Fighting [FPFF]

Elementary First Aid [EFA]

Personal Safety and Social Responsibilities [PSSR]

Duration
6 Days

Validity
5 Years

Advanced Fire Fighting [AFF]

This training is for seagoing personnel designated to take charge and control of fire fighting operations in an emergency. The emphasis of the training is in organisation, tactics and command. The course covers requirements specified by the IMO for STCW as amended 2010.

Delegates will learn and demonstrate on how to take command, organise and train fire parties and control fire fighting operations. Delegates will acquire knowledge of fire prevention and ability to inspect and service fire detection and extinguishing systems. Delegates will also be able to investigate and report on incidents involving fire.

Duration
2 Days

Validity
5 Years

Basic Safety Training Refresher [BSTr]

This training is for seafarers employed or engaged in any capacity onboard ship requirements specified by the IMO for STCW as amended 2010.

The refresher course was formulated to offer instruction along with practical training in key safety skills which are considered to be critically important when working on board of a vessel.

MODULES:

Personal Survival Technique [PST]

Fire Prevention and Fire Fighting [FPFF]

Elementary First Aid [EFA]

Personal Safety and Social Responsibilities [PSSR]

Duration
1.5 Days

Validity
5 Years
